PRESS RELEASE: Travis Pike & The Tea Party- If I Didn't Love You Girl.

A new limited-edition Mousetrap Music release on 45rpm of this brilliant Garage Psych track that has been causing a stir amongst collectors and DJ's all over the World.

Released originally in 1968 on Alma Records, DJ Dr Robert bought a copy from Travis himself and started playing at London club night Mousetrap. This is where the cool and curious gather for nights of hipshakin' fun in the Orleans basement in Finsbury Park. Once satisfied it passed 'The Mousetrap test' he started spinning it on his DJ adventures around Europe. The track then featured on Dr Robert's compilation series "Le Beat Bespoke 7" in April 2017.

The price of the original is fetching big bucks now (if you can find one) so here is your chance to own a limited-edition release that was made specifically for the 28th anniversary of the Mousetrap Allnighter in March 2019.

Be wise and grab a copy now before they go from www.newuntouchables.com store.

Kind Regards
Rob Bailey
